

Gentle and Lowly

Tune: *BUNESSAN*

1: Gentle and lowly
Heart of our Savior
Strength for the weak and
Treasure for poor
All who are weary
And approach meekly
Receive compassion
Forevermore

2: Rich is his mercy
O'er ours his ways are
Drink for the thirsty
Pours out his heart
Wrestled temptation
His life, oblation
Cosuff'ring Lord, ours
Forevermore

3: When I feel too gone
Quiet voice whispers
Depart I will not
Nor disappear
Never outcasted
This he has promised
His grace abounding
Forevermore

4: Sympathy speaking
Spirit he sends us
His advocating
Yearns for no loss
Uttermost his love
High gift from above
Buried in his heart
Forevermore
