© Daniel J. Harrison, 2023

Tune: *CWM RHONDDA*

1: Born a man, our nature taking,  
God with us, Emmanuel;  
Jesus came, his people saving,  
From our chains that captive held.

Refrain: Praise the name of Christ our Savior!  
Groundward bow ye rev'rently;  
Give thy heart to Christ our King!

2: Others-bent, his mercy preaching,  
How to love our neighbor so;  
Jesus came, his people teaching,  
In this posture: gentle, low. [Refrain]

3: Through this work, his representing,  
Scarlet stains he washes white;  
Jesus came, his people cleansing,  
By his righteous, holy light. [Refrain]

4: Goodness flows, not one child losing,  
Peace and just, his scepter brings;  
Jesus came, his people ruling,  
Joy compels my soul to sing. [Refrain x2]
