Tune: *SALZBURG*

1: Manifest, O Christ, today  
Joy exceeding, hosts exclaim  
By the promised, rising star  
Guiding Magi from afar  
Royal birth of Jesse's stem  
Branching out of Bethlehem  
Dazzling Deity attest  
God in flesh made manifest

2: Manifest in Jordan's stream  
Son, "belovéd," Father deem  
Mother prodded to make known  
Signs of glory, Jesus shown  
Him displaying pow'r divine  
Changing water into wine  
Dazzling Deity attest  
God in flesh made manifest

3: Manifest in making whole  
Broken limbs and burdened souls  
Innocent in valiant fight  
Word-armed, thwarts the tempter's might  
Teaching with authority  
God-Man, true identity  
Dazzling Deity attest  
God in flesh made manifest

4: Manifest on mountain height  
Shining in transcendent light  
When transfigured, glory saw  
His disciples bowed with awe  
Humbly mounted, journey went  
To depart Jerusalem  
Dazzling Deity attest  
God in flesh made manifest

5: Manifest in darkened skies  
Bleeding brow, forsaken cries  
Final breath, forgiveness won  
Truly this was God's own Son  
Ended not when veil was torn  
For would come a bright new morn  
Dazzling Deity attest  
God in flesh made manifest

6: Manifest in empty grave  
Cross confirmed, our sins forgave  
His disciples hast'ly ran  
New creation life began  
With hands piercéd did he eat  
Then commissioned: Feed my sheep.  
Dazzling Deity attest  
God in flesh made manifest

7: Manifest, O God, your love  
In your Son sent from above  
That we all like him may be  
At his next epiphany  
Then descending in the clouds  
Ears transfixed on trumpet sounds  
Dazzling Deity attest  
God in flesh made manifest
