

On Transfiguration Day

Tune: *W ZLOBIE LEZY*

1: Up the mount ascended Jesus
“Who do I claim him to be?”
Father’s voice, our ear, he seizes
To declare Son’s deity
Holy Cloud, therein surrounded
Fearful witnesses enshrouded
Triune Light on high display
On Transfiguration Day

2: More than Moses or Elijah
Son of David makes us whole
God’s beloved One, Messiah
Face to face, our heav’nly goal
O to glimpse on that good mountain
And to drink from living fountain
Promised Light on high display
On Transfiguration Day

3: On the mountain, Jesus standing
Ancient glory, they beheld
His disciples, left perplexing
No soul yet were they to tell
Grace and truth were brightly beaming
Flesh unveiled, his glory seeing
Brilliant Light on high display
On Transfiguration Day

4: Down the mount descended Jesus
This the reason he was sent
“How does glory follow weakness?”
To Jerusalem he went
Death alone, he would not journey
But to rise and reign so worthy
Endless Light on high display
On Transfiguration Day
